

Impact Sponsor (revised 01.04.18)

Christian Radio Audience

Did you know that KAMB is a non-commercial listener and community supported ministry? In addition to the faithful support of our listeners, we also are deeply grateful that various businesses, non-profit organizations and ministries that also support the outreach of *Celebration Radio*.

KAMB cannot sell advertising. But perhaps you've heard us thanking some of our Impact Sponsors on the air or seen their banner ads on our website! Impact Sponsors are listeners that believe in our mission and want to help ensure that lives are being impacted for *Christ* each day over the airwaves of Central CA on 101.5, KAMB.

We really believe that your organization could benefit by being introduced to KAMB's 75,000 plus weekly listeners. Can you imagine having that many folks hearing about your organization every week?

KAMB's Business and Non Profit Impact Sponsorships - our way of saying "*Thank You*" for your monthly support of *Celebration Radio, 101.5 KAMB*.

Deliver Your Message with Greater Efficiency and Frequency

Because KAMB is listener supported, the cost of marketing on KAMB is lower than on commercial stations. Your business can begin a long term relationship with our base of *loyal and pro-active listeners*, many of whom are business and community leaders. Our commitment is to go far beyond the transaction - our goal is community transformation through businesses, churches and families. KAMB has been an encouraging place on the dial for *50 years!*

Your Marketing Messages Stand Out on KAMB

Our practice of airing a limited number of announcements per hour produces a clutter free environment. Your message will stand out. Ironically for all the time, money and energy put into regular radio commercials, research shows that shorter messages that produce "top of mind" awareness are more successful in reaching the audience. Think about it, do you tune out when a station goes into a long commercial break? Our strategy of on-air and on-line promotion has proven very successful. We look forward to building a long term relationship with you and help you grow your business. Feel free to contact us with any questions or of course, to get started!
