Celebration Radio 101.5 KAMB and the **Creation Lab Recording Studios** of Turlock have teamed up again to bring you the **2010 Christian Artist Search**. We're seeking to discover and showcase a new Christian artist with a unique musical message.

There are many ways to express in song and music the new life that we have in Christ. This solo vocal artist search will share with KAMB listeners a new outpouring of abilities, talents and gifts that God will use to expand His Kingdom.

The Top Ten Finalists will be selected from the large pool of applicants, to:

- bring their music to tens of thousands of KAMB listeners
- be interviewed on KAMB about their vision for their music
- give them a once-in-a-lifetime exposure that they've always dreamed about
- perhaps even help launch their music ministry!

Grand Prize

The Grand Prize Winner will record a professionally produced song at The Creation Lab Recording Studios that will be played in regular rotation on KAMB. He/she will also receive 300 CD copies of his/her new single to distribute, perform live at *2010 Spirit West Coast* in Monterey and receive a cash prize of \$1,000.

Deadline to Submit an Entry: Monday, Feb 8th

Entry forms are available on celebrationradio.com or request one from the KAMB office. Send song demos along with bio and picture to KAMB, 90 East 16th Street, Merced, CA 95340. For complete details, rules and entry form, visit celebrationradio.com.

Meet our new Director of Ministry Development

Please join us in celebrating the fact that **Randy Zachary** has just taken on additional duties on our Staff to serve as our *Director of Ministry Development!*

He's already been serving as a Staff Announcer with us since last July and in January he began serving as our weekday *Afternoon Drive Host* from 3pm to 8pm.

Randy lives in Madera, has been married 28 years to Monica, and they have three grown children - Ryan (27), Travis (23), and Krissy (18). Randy's radio journey includes working in radio in Orange County, Los Angeles, Chico and Maui.

Having someone with Randy's experience and enthusiasm is going to help us better fulfill our mission and strategically achieve the vision the Lord has given us for the future ministry of Celebration Radio.

We praise the Lord for this and want to express our deepest thanks to all of our listening family who have been praying with us to have this vital stewardship position filled with just the right person.

He's very much looking forward to the opportunity to build relationships with those who want to learn more about participating in this dynamic media ministry that is committed to honoring God by helping people's lives be transformed by Jesus Christ.

If you would like to contact Randy to talk about any aspect of our ministry, he can be reached by phone at 1(800)692-5777 or email at randy@celebrationradio.com.

Celebration Radio **Musical Artist Profile**

Amy Berna

Most of Amy's life has been spent in Madera, CA. A long-time worship leader at The Lighthouse Christian Fellowship Church, Amy says, "There's nothing like surrendering to true worship. It has a way of bringing everything into perspective: He is God and I am not."

In March of 2005, Amy entered and won the American Christian Music Showcase in San Jose, CA. This one event has propelled her career, allowing her to record five demos with writers and producers from EMAC Publishing / Gotee Records, and a main-stage performance slot at Spirit West Coast in Monterey in July 2005.

A main focus of Amy's life is women's ministries. Amy's heart is to simply reach out to women and encourage them that they can do anything. "God has given us all we need to change the world - our worlds - and overcome our circumstances."

Amy's current single, "*Hold On*" can be heard on Celebration Radio.

What Listeners Are Saying About Celebration Radio...

"Since I have moved I can only access the music online. Thank you for making that possible. I would like to continue with this radio station rather than go with one out of Houston as I am still working in CA. This station makes it possible for me to endure physically and thrive spiritually." -Spring, TX

"KAMB is such an inspiration and uplifts my day to keep the Lord close to my thoughts. I especially am grateful for the Sonora transmitter (107.1) and I receive great reception getting to work in Columbia and even at work in my office. May God continue to bless your ministry in service to Him." -Mi Wuk Village

"I listen on the web while in Israel. You really don't know how refreshing it is to be able to listen to something that is a big part of life at home while your gone." -Manteca
