

DAY SPONSOR SAMPLE SCRIPTS

The Host introduction will say something like:

"Today we are grateful for our Day Sponsors, [Your Names] of [City]. They share,"

BIRTHDAY

Happy ___th Birthday, _____! You are such a blessing from God to our family! It's been amazing to watch you grow up and see your relationship with God continue to develop. Listening to you pray and ask questions about God is a dream come true. We love you so much, _____, and we are excited to see what else God has in store for you. Happy Birthday, _____!

Today is my birthday! I chose to be a Day Sponsor today because I want to tell everyone that Celebration Radio is my favorite station. Years ago, I switched from listening to secular music to only Christian music - specifically KAMB. And what a difference it has made in my life! I am calmer behind the wheel now, and everyone who knows me knows that is a MIRACLE! I want all my friends and family to know that KAMB is my station and I hope they will make it theirs too!

ANNIVERSARY

Today we celebrate our ___th Wedding Anniversary! We are thankful to God for our life together. We want to express our appreciation to our family and friends, and to Celebration Radio for their daily encouragement through music and programs. We hit some very hard times a few years ago and listening to [a program like Focus on the Family] really kept our marriage strong. Today we rejoice and thank God for ___ years of marriage!

Today on KAMB, I choose to honor my husband, _____, as we celebrate our ___th Wedding Anniversary! I am so thankful to God for giving me you, _____. You are the love of my life, an amazing father, and my best friend! I am proud to be your wife and today I celebrate sharing ___ years of life with you! Happy Anniversary, _____!

MEMORIAL

Today I want to honor the memory of my father, _____. He always told our family the story of how he accepted Christ as his Lord and Savior while listening to [a program like Chuck Swindoll] on Celebration Radio. We all appreciate the spiritual legacy he left us, and the impact Celebration Radio has had on our lives. We continue to listen, support, and thank God for KAMB!

KAMB

I want to thank KAMB for always being there for me. I moved to California a few years ago and when I found this station it felt like I was finally home. I start and end my day with Celebration Radio as I commute to work. The music lifts my spirits and helps me stay focused on the Lord. And the comments of the hosts are a daily encouragement to me. God bless KAMB!

I am a mother of ___ children and I love listening to Celebration Radio. We all listen in the car as I take the kids to school, pick them up, and take them to events. KAMB is safe for my whole family! I don't have to worry about what a host might say or wonder if the lyrics are OK for my little ones to hear. It makes me so happy to hear my children singing along with the music on KAMB. They even encouraged me to call and help support the station. So, we're all here to say, "Thank You, KAMB!"

The Host conclusion will say something like:

"Wishing you a Happy Birthday, [Name]! From all of us at listener-supported, family friendly, KAMB."
